9. Matthew 1:1-16 and Luke 3:23-38 The Matthew genealogy follows the patriarchal line, ie Matt 1:6 King David, Matt 1:7 Solomon, Matt 1:13 Zorobabel whereas the Luke genealogy follows the mitochondrial lineage (ie the matriarchal line) but does so by recording the husbands of the wives. Luke 3:31 David, Luke 3:31 Nathan (David's other (male) blood line son), Luke 3:27 Zorobabel. These are three important period markers down the alternate lineages. Note Luke 3:23 – Heli is Mary's father, ie Joseph's father(in-law). The Lord receives three hereditary privileges from these lineages. He is the rightful king of Israel through David and Solomon to Joseph, he is the rightful king of Israel through David and Nathan to Mary, and thirdly he was born of the sinless and unadulterated Seed of Eve through **Mary's pure mitochondrial DNA.** (Note: If further reading is sought on this matter refer to Faithchaser's Book Shelf library – The Seed of Eve and/or The Redemption Plan)
10. Daniel 12:1-3 The archangel Michael
